TREASURE TROVE

An update from your CPOA Board of Directors

Lisa Knowles, Carter Bell, and I have less than six months left in our terms of CPOA President, Vice President, and Treasurer respectively. Come November, it will be time to elect your new CPOA Board members. John Castellano and Nicol Ray are your continuing Board members who will continue to serve until November 2018.

The Board needs new input, ideas, and enthusiasm! If you are unemployed, under-employed, or have just a few hours to spare, please consider serving on your CPOA Board.

Various talents are needed. I volunteered my skills in accounting and administration to help get some projects done in our neighborhood. However.... I personally, have NO vision for beautification, nor interest in the kid's parties or community garage sales. Ideally, we'd like to have ALL aspects represented.

If you can help, please contact a Board member. Lisa, Carter and I had little guidance when we started. We've learned a lot in the past year and a half that we would love to share with prospective Board members. Cherry Park is a great place to live. Get involved! Call or email me personally if you'd like to chat about it.

AND...please remember, our CPOA neighborhood events are funded by our dues payers, and thus only open to dues paying households. Please see on the next page for a listing of our 2017 year-to-date dues paying households. If you don't see yourself or your neighbors on this list, please pay and encourage your neighbors to do the same. We will continue to post updates in future Pickins, so please keep those payments coming! You can pay online - <http://www.cherryparkhoa.org/>, or mail/drop a check to CPOA at 6573 S Kearney Circle.

Yours truly, Rebecca Bower, CPOA Treasurer cpoatreas@gmail.com

.....

Did you know that this year there are new fireworks regulations for Centennial residents?

Residents may now use and possess certain "permissible fireworks", limited only to those that **DO NOT EXPLODE**, leave the ground or fly through the air.

Sparklers, cones, snakes and fountains ARE ALLOWED!

The decision to allow certain types of fireworks is consistent with the State of Colorado and Arapahoe County.

Please be mindful of your neighbors when celebrating this great holiday!

YARD OF THE MONTH Winners

Congratulations to Bruce and Brenda Scott on winning the June 2017 Yard of the Month. Bruce and Brenda have lived in Cherry Park since 1995 and have raised two children. They both have spent hours on their front yard making it look beautiful. Their home has a southeastern exposure which when combined with their beautiful maple tree gives the front yard nice softer sun for their many perennial gardens. They have three separate gardens which each has its own personality. The main garden has daisies, catmint, daylilies, geraniums, Japanese anemone, baskets of gold and a white sun daisies. The small garden to the south has roses, salvia, wooly thyme, blue fescue grass, stonecrop, Colorado gold gazania, iris, and a big port of mums. In addition, they grow a salsa garden that includes tomatoes and peppers. They secret to their beautiful gardens is composting and loving to be outside and tending to their flowers. They are organic gardeners and use no chemicals. Congratulations to Bruce and Brenda for giving us such beautiful gardens to enjoy.
